#### HIGHLIGHTS FOR 2022-23

- Working on finding a solution to our water problem on the west side of our lower level. Estimated to run about \$26,000.
- Upgrading the electrical system in our rental house.
- Improved the signage for our bathrooms to gender neutral/all inclusive.
- Fixed the recording system for our solar panels.
- Installed TV display rack in the entryway.
- Worked to keep our building and grounds attractive, functional and safe within our financial constraints.
