

Deb Fitzloff – UUFM Board Member at Large Candidate

Bio:

Deb Fitzloff found UUFM in winter of 2016 when she moved to Mankato with her husband, Steve. She joined as a member the following year.

Raised Lutheran, she embraced that religion, eventually wishing to know about the practices of others as her view of the world changed. She values the UU principals and covenant that respect inclusive and diverse beliefs.

Participation in Children's Faith Development and Committee of Shared Ministry are ways she has been able to serve. Book discussions, adult classes, Soul Matters Listening Circles, monthly lunch, and kitchen duty on Sunday mornings are some ways she knows the fellowship to be warm and welcoming and a place for spiritual growth. Involvement in Mankato Fair Trade, Write on Race Journaling Project, YWCA projects, and NAACP committee work have enabled her to learn more, see further.

Deb recognizes there is always much to celebrate and much to do within our UUFM family and in the greater community
