

Elizabeth Kipp – UUFM Board Treasurer Candidate

Bio:

I have been a member of UUFM since the early 1990s. Last May I retired from my job as secretary/bookkeeper for Region V Computer Services. Prior to that job, I worked for sixteen years as staff treasurer for First Presbyterian Church. It was always a source of good fun during that time that their office was populated on weekdays by a Lutheran and a Unitarian Universalist!

I hope to help keep UUFM on a sustainable financial path as we move into the future. We have been blessed for many years with dedicated volunteers and generous givers. All of us are responsible for living up to their dreams of how we can be a force for good. I hope to report on our finances clearly and informatively, while also respecting the privacy of givers, employees and others. I confess that I enjoy numbers and I want more people to get more comfortable with them!
